The \$349 living-room makeover

IKEA + HOME DEPOT

One dark wall. Taller curtains. A lamp worth leaving on.

Keep the furniture. Shopping, supplies, tax allowance and this guide included in the worked total. Concept illustration; scope and assumptions inside.

After.

The furniture stays. The atmosphere changes.

A continuous curtain line and one espresso wall give the room two clear surfaces. A warm lamp and a red cushion do the small, satisfying work in between.

The \$349 plan, counted once.
